PROFESSIONAL EXPERIENCE

ThinkSynergy - Hartford, CT

Accounting & Financial Analyst | Nov 2025 - Present

- Performed monthly and year-end close for 100+ GL accounts, reconciling bank, AP, and AR balances & improving data accuracy by ~25%.
- Built 10+ three-statement financial models in Advanced Excel to assess profitability, liquidity, and business performance across client portfolios ranging from \$1M–\$10M+ in revenue.
- Conducted monthly variance analysis across \$400K–\$1M budgets, identifying key cost drivers and providing management with actionable insight into expense trends and operating metrics.
- Managed end-to-end AP and AR for multiple clients, resolving aging discrepancies and maintaining subledger accuracy across high-volume transaction environments.
- Supported annual budget preparation and developed automated rolling forecasts updated monthly, reducing manual forecast refresh time and improving planning cycle efficiency.
- Analyzed weekly cash flows of \$50K–\$100K+, enhancing liquidity planning and reducing short-term cash gaps by ~8–12%.
- Leveraged Power BI and Advanced Excel to build scalable reporting dashboards, streamlining financial reporting workflows and reducing manual effort across client engagements.
- Evaluated debt structures and loan schedules totaling \$500K–\$1M, supporting refinancing decisions that reduced client financing costs.
- Partnered with client CEOs and cross-functional teams to gather financial data, align on close timelines, and support business decisions.

Deloitte & Touche Tohmatsu Ltd. - Hyderabad, India

Senior Audit Analyst | May 2021 - Dec 2023

- Executed financial statement audits for 500+ engagements across South Africa and New Zealand, supporting timely delivery within regulatory reporting deadlines.
- Identified and resolved financial statement misstatements, applying professional judgment to assess audit findings and support accurate client reporting.
- Audited general ledger accounts, including Cash, AR/AP, Revenue, Cost of Sales, G&A, and Payroll, ensuring compliance with U.S. GAAP and regulatory standards across diverse client portfolios.
- Audited fixed asset and PPE schedules, verifying capitalization policies, Capex additions, disposals, and depreciation calculations; traced capital projects from purchase order through asset capitalization to ensure accurate fixed asset records.
- Prepared and reviewed 100+ trial balances and GL reconciliations, performing analytical procedures to assess half-yearly and annual financial performance.
- Utilized Deloitte OMNIA, LEVIA, EMS, and DataSnipper to document 1,000+ audit workpapers and analyze financial and operational data across diverse client environments.
- Mentored 3–5 junior analysts, documented audit processes, and supported knowledge transfer initiatives — contributions recognized through promotion to Senior Audit Analyst.

Inventurus Knowledge Solutions - Hyderabad, India

Revenue Cycle Officer | Oct 2020 - May 2021

- Managed the resolution of unprocessed claims and insurance denials for U.S.-based healthcare clients to optimize revenue capture.
- Ensured claim compliance with U.S. healthcare regulations, successfully reducing processing times and minimizing submission errors.

EDUCATION

- **Master of Science in Finance and Financial Analytics** (GPA 3.94) | University of New Haven, West Haven, CT | Dec 2025

Relevant Coursework: Financial Modeling, Corporate Finance, and Data Analytics.
