PROFESSIONAL EXPERIENCE

ThinkSynergy — Hartford, CT

Nov 2025 – Present

Accounting & Financial Analyst

- Led month-end and year-end close across multiple clients, maintaining accuracy in a high-volume transaction environment.
- Reconciled end-to-end AP/AR, including floor-plan vendor financing against related inventory.
- Assisted in debt refinancing to cut the monthly payment by 50% to restore cash flow.
- Delivered 5+ executive-level financial reports and KPI dashboards for C-suite.
- Supported financial planning and forecasting for a budget exceeding \$1.5M.
- Conducted variance analysis against budgets and forecasts for 3 client portfolios, identifying gaps of up to 15%.
- Developed annual operating plan and long-range financial planning for a \$2M+ revenue portfolio.
- Automated 3 recurring reporting processes using Advanced Excel, saving approximately 12-15 hours monthly.
- Tracked weekly cash flow for 2 clients to support short-term liquidity management.
- Presented financial insights to senior leadership, influencing decisions on \$500K+ in expenditures.
- Improved forecast accuracy from 86% to 95% by streamlining the forecasting template.

Deloitte & Touche Tohmatsu — Hyderabad, India

May 2021 – Dec 2023

Senior Audit Analyst

- Executed financial audits for 300+ engagements across South Africa and New Zealand, ensuring timely delivery within regulatory reporting deadlines.
- Identified financial statement misstatements, escalating findings to the client-facing team for resolution and follow-up.
- Examined general ledger accounts, including Cash, AR/AP, Revenue, Cost of Sales, G&A, and Payroll, maintaining compliance with U.S. GAAP and regulatory standards across diverse client portfolios.
- Verified fixed asset and PPE schedules, tracing capital projects from purchase order through capitalization to confirm accurate depreciation, Capex additions, and disposals.
- Reviewed 100+ trial balances and GL reconciliations, performing analytical procedures to assess half-yearly and annual financial performance.
- Leveraged Deloitte OMNIA, LEVIA, EMS, and DataSnipper to document 1,000+ audit workpapers and analyze financial and operational data across diverse client environments.
- Mentored 3–5 junior analysts and guided knowledge transfer initiatives, with contributions recognized through promotion to Senior Audit Analyst.

ADDITIONAL EXPERIENCE

University of New Haven — West Haven, CT

May 2024 – Dec 2025

Graduate Administrative Assistant, Immigration Services

- Managed visa documentation and compliance records for international students, coordinating closely with Designated School Officials to meet federal immigration requirements.
- Trained and mentored 4 Graduate Assistants across multiple semesters, overseeing onboarding and service quality.
